# CUTTING EDGE TECHNOLOGY

We Offer A Wide Variety Of Digital Printing Services, With Our Core Focus Being Digital Book Printing - Or Printing Books On Demand.

## OUR ORIGIN

25 years of experience comes with leading printing industry professionals Rieyaan Gamba and his talented team who oversee production. They are supported by Blue Weaver Marketing and Distribution who connect publishers with the best distribution possible.

## OUR MISSION

We are pioneering a faster, more streamlined, cheaper way to print books.

Here, we maintain open communication with our clients, and ensuring cost effective print runs without sacrificing quality.

## OUR VALUES

Superior customer service, team work, and quality production are our core values.

The repeat business of our loyal clients is evidence of this attention to detail. Our boutique office is situated in Airport Industria, Cape Town so that any imperfection is picked up and corrected immediately by the team.
